ABOUT DESK TOP AUDIT

FSSAI, Ministry of home affairs and various other bodies of government have issued guidelines on Covid 19 response for food ecosystem. A very practical, comprehensive, highly relevant to local conditions module is used for audit in this system.

Parikshan has been a very reliable knowledge partner to food industry headed by Dr. Pasupathy National advisor FHRAI and advisor to IFCA and many more industry bodies in India. This audit is a very important reference tool and a management aid in the new normal scenario of Covid 19.

The outcome will ensure compliance of the guidelines from the government and a very easy understanding of reviewing internally the special controls established as response to Covid 19.
